## Bulk Waste

Tenants are responsible for their bulk waste. Any bulk waste just left outside without contacting Camden Council will not be collected. This will cause the estate to look untidy and risk vermin and pest infestation. Camden Council offer a service to residents where they collect furniture/white goods that are unsuitable for reuse costs are as follows:

- 1-5 items (or up to 20 black bags) - £25.00
- 6-10 items (or up to 40 black bags) - £50.00
- 11-15 items (or up to 60 black bags) £75.00

Senior citizens and those in receipt of income support are eligible for two free collections per year.

You can request a large item or special collection by visiting [www.camden.gov.uk](http://www.camden.gov.uk) or contact Environment Services on 020 7974 4444.

With help from reports from tenants we have removed two rough sleepers who were causing a nuisance. Our CCTV cameras are working and will be used to report anti-social behaviour to the police.

**CLEAN CAMDEN  
NEWS**

You can help keep Camden clean by organising or taking part in a community clean-up. Camden would like you to join in on the crackdown of littering, dog fouling and fly-tipping as part of the Clean Camden Campaign.

Since the campaign began in November 2013 Camden have been able to achieve the following:

- Handed out over 900 fixed penalty notices of £80 each to people dropping cigarette butts and other litter.
- Successfully prosecuted offenders at Highbury Corner Magistrates' Court, with those convicted being fined up to £225 plus costs.
- Reduced the number of black unmarked bags of waste being dumped across the borough from Hampstead Town to Bloomsbury.
- Held events with police and community wardens to raise awareness about the tough approach we are taking to dog fouling.

**Get involved**

The money Camden have received from these activities is now being reinvested in community clean-ups, and they now are asking residents and community groups to get involved.

A number of events have been organised across the borough, including litter picking, creating community gardens and tackling dog fouling, and they are looking for volunteers to take part and organise events in other areas.

Look out for posters in your local area letting you know about a clean-up event where you live. If there isn't one near you, why not organise one yourself?

If you'd like to help organise an event in your area, please contact [atcleancamden@camden.gov.uk](mailto:atcleancamden@camden.gov.uk).

Litter pickers and gloves are provided, as well as some innovative approaches to reducing dog fouling. They'll also provide posters to publicise your event.

If you fancy drawing attention to the poop on the streets of the borough to embarrass pet owners who haven't cleaned up, why not spray it fluorescent pink? Cans of pink chalk spray are available by emailing [street.environment@camden.gov.uk](mailto:street.environment@camden.gov.uk)

**Reporting hotspots and offenders**

**If you spot a place or person that is undermining Camden's attempts to rid the borough of dog fouling, littering or flying tipping> You can fill in the online reporting form by visiting [www.camden.gov.uk](http://www.camden.gov.uk) or call 020 7974 4444.**
